Raiders Beat Generals 2-1 In Opener

The Appomattox Raiders edged the William Campbell Generals 2-1 in the season opener for the Raiders last Wednesday in a Seminole District baseball game played at Appomattox. The loss dropped the Generals to a 1-2 mark for the season.

Dennis Wilkerson did the hurling for the Raiders and went the distance in striking out 13 Generals and allowing only two hits. He also scored one of the Raider runs.

Appomattox scored first in the second and added another in the fourth for a 2-0 lead as General errors were costly in both innings. The Generals got their only run in the six Guthrie scored on Rick Purcell's hit. Rucker had the other WC hit.

Steve Almond had the big bat for the Raiders as he got two off Appomattox's four hits. B. Austin and Gallier had the other Appomattox hits. Almond also scored a run for the Raiders.

Wilkerson was the winning pitcher and Gary Oglesby was the loser.

Raiders Down Altavista 6-3

The Appomattox Raiders took advantage of seven Altavista errors for a 6-3 win in a Seminole District baseball game last Friday at Altavista. The win made the Raiders 2-0 and dropped the Colonels to a 0-4 mark for the season.

The Raiders scored twice in the second, twice in the third and once in the six and seventh. Altavista got theirs in third as they scored two times and then added another in the fifth.

Appomattox collected six hits as six different men got them. They were Ricky Garrett, Bill Austin, Steve Almond, Jimmy Chandler, Dennis Wilkerson, and Bobby Layne. The Raider runs were scored by Garrett, Almond, Chandler, Wilkerson and Layne two times.

Steve Almond started pitching for the Raiders and got the victory, but needed help from Ricky Garrett in the fourth. The Raiders led 4-2 after three innings, but the lead was cut to 4-3 after five. Billy Taylor had a two run single in the third for Altavista and Poindexter had the other RBI. The other Colonel hits were collected by K. Finch and S. Finch. Mike Reaves suffered the loss for Altavista despite a fine performance as he struck out 11 Raiders, but the errors hurt them.

"How much does a checking account really cost?

After all, nothing's free.

Right. So when we advertise free checking, there's got to be something in it for us. And there is. It's You.

You see, if we can encourage you to be a Fidelity customer by not charging you for the checks you write or for servicing your account. It's worth it.

Because if we can get you to bank with us, we think you will like us. Then maybe we can help you in other ways. Like lending you money to buy a car. Or to fix up your house. Or in any of dozens of ways we've found to make the going easier for all kinds of people. And when we help you, we help us.

So when we offer free checking, there is something in it for us. But there's something in it for you, too.

A checking account that you won't have to pay for.

VICIOUS HARDENED STEEL DRILL BITS DIDN'T PENETRATE THE TIRE.

This is the new Custom Power Cushion Polysteel tire you've seen advertised on T.V. The same kind of tire steel drill bits didn't stop. The tire with a body of tough, flexible polyester cord to soak up the shocks—and double belts of strong protective steel cord under the tread to resist penetration. Chances are you won't run over steel bits (as we did in this demonstration). But think of the confidence you'll have in a tire that did just that and kept on going with no loss of air. Polysteel tires – only from Goodyear.
